

GR Interview Task

Hello and Welcome

This interview task consists of two sections.

The first part is a technical programming challenge

The second part is a set of questions that attempt to learn a little bit more about you!

Part One: Technical Challenge

The instructions for this challenge can be found in the `docs/SpaceInvaders.pdf` and environment set up instructions can be found in `docs/EnvironmentSetup.pdf`

There isn't a fixed time restriction on the task instead just spend the amount of time you feel sufficient to demonstrate your abilities.

NOTE: Dont spend days on it!

Part Two: Questions and Answer:

The questions for part two can be found in

docs/Questions.docx. Try and answer them as best you can.

Thats your challenge, best of luck!
